Tokyo Cultural Gateway: 3 Days of Art, Science & Tradition

Discover the rich tapestry where scholarly traditions meet diverse cultural expressions, exploring how intellectual heritage and artistic creativity have shaped civilizations across time and geography.

DAY 1 Tokyo

Origins of Japanese Culture

Savor ancient to early modern art, along with the appeal of nature and science in the city

Tokyo National Museum
Mitsui Memorial Museum and/or
National Museum of Nature and Science (Ueno Main Building)
National Museum of Nature and Science (Institute for Nature Study)

<https://colbase.nich.go.jp>

DAY 2 Tokyo

Perspectives on Modern Japan

Trace the possibilities of future science and the shifts in Japanese sensibilities reflected in modern art

Miraikan –
The National Museum of Emerging Science and Innovation
The National Museum of Modern Art, Tokyo (MOMAT)

DAY 3 Saitama & Tokyo

Handcrafts and the Continuation of Beauty

Appreciate the wisdom of daily life in dolls and folklore, a modern architectural masterpiece by Kunio Maekawa, and the beauty of Japanese painting carried into the present

Iwatsuki Ningyo Museum
Saitama Prefectural Museum of History and Folklore
(designed by Kunio Maekawa, one of Japan's leading modern architects)
Yamatane Museum of Art
